Powerful and mobile: the Giant 52 vacuum machine

The Giant 52 from Combisteel is a robust, mobile vacuum machine designed for intensive use in professional kitchens, production environments, and food processing facilities. With an impressive vacuum capacity of 63 m³/h, two 520 mm sealing bars, and a short cycle time of just 15 to 40 seconds, it allows you to vacuum-pack large volumes of food quickly, hygienically, and efficiently. Dimensions: 700x690x1030 mm (WxDxH) – Power supply: 400V – Power: 2.4–3.5 kW – Vacuum capacity: 63 m³/h – Weight: 143 kg.

Key features:

- **Extremely powerful:** 63 m³/h vacuum pump for high-volume and heavy-duty applications
- **Fast cycle time:** Efficiently packages products within 15–40 seconds
- **Two long sealing bars:** 520 mm each (left and right), easily removable for quick cleaning
- **Robust and mobile design:** Freestanding model with wheels for flexible use on the work floor
- **Stainless steel construction:** Durable, hygienic, and easy to clean
- **User-friendly control panel:** Ensures precise operation and consistent results

With the Giant 52 vacuum machine, you choose maximum capacity, mobility, and professional performance—all in one powerful solution. Order today and experience professional quality!
